

The image features a dark, circular shape in the center, resembling a moon or a planet. Inside this circle, the words "White Moon" are written in a white, elegant, cursive script. Behind the circle, a bright, glowing light source, likely the sun or moon, is visible, creating a lens flare effect that radiates outwards. The background is a deep, dark blue or black, with some subtle, lighter blue and purple hues suggesting a celestial or atmospheric setting.

*White Moon*
